**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and competitive deployment! Access to unbundled network elements are critical last-mile copper and inter-city fiber infrastructure and removing this access will increase the cost of internet and telephone services. Broadband access is critical to my job, my livelihood, and my quality of life. Thank you for your time and attention.
